Get to Know RP in 2022

Dr. Arthy Saravanan

Looking back to 2021, we are proud of all the creative ways we were able to connect with radiology trainees, practicing radiologists and other healthcare professionals, and we have been hard at work to plan for 2022.

We officially invite you to connect with Radiology Partners through some of the opportunities below and check our events calendar for more details.

Coming to a city near you: RP Nights Out

At **RP Night Out**, we offer space for radiology fellows and residents to connect in person with our radiology leaders, network with others and hear more about the growth and leadership opportunities at RP practices. Attendees are welcome to bring an additional guest, and food and drinks are served. See the list of locations below, and if you plan to

attend one of the events near you, RSVP through the events calendar. If you have questions, reach out to events@radpartners.com.

- March 24: Houston
- March 31: Phoenix
- April 14: Philadelphia
- May 26: New Haven
- June 23: Boston
- July 21: San Francisco
- August 11: Chicago
- August 18: Atlanta
- October 20: New York
- November 10: Miami

Quarterly opportunities to network: Virtual Career Fairs

Radiology residents, radiology fellows and practicing radiologists are invited to attend one of **RP's Virtual Career Fairs**. The dates for 2022 are listed below. This is a quick and easy way to learn about practice opportunities and ask any questions you may have about RP. You can find out more information and register for the next event on the website.

- March 23
- June 7
- September 13
- November 16

More to come: Transform

Transform is a unique event for radiology fellows and third- and fourth-year residents who want to connect with radiology leaders and other trainees to learn more about our industry, radiology's place in healthcare and the mission of RP. This year's event is September 23-25 in Las Vegas, and if you're interested in finding out more, fill out the interest form

here. You can also read about 2021's event on RP's blog.
