# Radiology Partners Earned Designation as a Great Place to Work-Certified™ Organization in 2020

## Radiology Partners (RP), the leading radiology practice in the U.S., today announced it is Great Place to Work-Certified™.

(EL SEGUNDO, Calif.) December 8, 2020 – Radiology Partners (RP), a leading radiology practice in the U.S., today announced it is Great Place to Work-Certified™. The certification is a significant achievement, as it uses validated physician and support teammate feedback gathered with Great Place to Work's rigorous, data-driven For All methodology. The certification confirms 78% of RP teammates say RP is a great place to work, compared to 59% of employees at a typical U.S.-based organization.

"We are thrilled to be Great Place to Work-Certified™," said Ari Fleischauer, Vice President of Human Resources for RP. "Radiologist and support teammate experience is a priority every day and it means a lot that our teammates reported a consistently positive experience with their coworkers, their leaders, and with their roles. This is important to us because we know that when our employees have a high-trust experience every day they drive better business results and make a difference for our patients, referring physicians and our client partners."

“We congratulate RP, on their Certification,” said Sarah Lewis-Kulin, Vice President of Best Workplace List Research at Great Place to Work. “Organizations that earn their employees’ trust create great workplace cultures that deliver outstanding business results.”

Great Place to Work is the global authority on workplace culture, employee experience and the leadership behaviors proven to deliver market-leading revenue and increased innovation. Since 1992, they have surveyed more than 100 million employees around the world and used those deep insights to define what makes a great workplace: trust. Great Place to Work helps organizations quantify their culture and produce better business results by creating a high-trust work experience for all employees. Emprising®, their culture management platform, empowers leaders with the surveys, real-time reporting, and insights they need to make data-driven people decisions. Their unparalleled benchmark data is used to recognize Great Place to Work-Certified™ companies and the Best Workplaces™ in the US and more than 60 countries, including the 100 Best Companies to Work For® and World’s Best list published annually in Fortune.

**About Radiology Partners**

Radiology Partners is a leading physician-led and physician-owned radiology practice in the U.S., serving nearly 1,300 hospitals and other healthcare facilities across the nation. As a physician-led practice, our mission is to transform radiology by innovating across clinical value, service and economics, while elevating the role of radiology and radiologists in healthcare. Using a proven healthcare services model, Radiology Partners provides consistent, high quality care to patients, while delivering enhanced value to the hospitals, clinics, imaging centers and referring physicians we serve.
