Radiology Partners Experts Present at The American College of Radiology® Annual Meeting

Clinical Leaders Address Quality Improvements and AI Workflows in ePoster Presentations

(EL SEGUNDO, Calif.) April 22, 2022 – Experts from Radiology Partners (RP), a leading radiology practice in the U.S., will be well represented at the 2022 American College of Radiology® (ACR®) Annual Meeting, taking place April 24-26 in Washington, D.C.

RP's Clinical Value Team is honored to share two abstracts selected as ePosters. One of the abstracts reviews their approach to quality improvement by establishing a patient safety organization at a national level. The other is focused on use of artificial intelligence (AI) technology to support evidence-based practice.

Accepted Abstracts

Presenters	ePoster Abstract Details
Upma Rawal, MD **Regan City**, PA-C, CPHQ **Krishna Nallamshetty**, MD	Safety and Quality Improvement at Scale – Establishing and Leveraging a Network of Patient Safety Committees Across a Large National Practice Participating in a Patient Safety Organization
Krishna Nallamshetty, MD **Elizabeth Stukins** **Patrick Nielsen** **Upma Rawal,** MD **Regan City**, PA-C, CPHQ	Impact of AI Enabled Workflows in Promoting Adherence to Evidence Based Guidelines

RP will also have physicians in attendance who serve in nationally elected leadership roles for the ACR as well as a presenter.

- **Catherine J. Everett, MD, MBA, FACR**, was elected to the ACR Board of Chancellors and serves as a member-at-large. She previously served as president of the North Carolina ACR chapter, member of the Council Steering Committee, chair of the economics committee of the General Small Emergency and Rural Commission and chair of the steering committee of the Senior Retired Section.
- **Elizabeth Hawk, MS, MD, PhD,** serves on the ACR Council Steering Committee as a representative voice of the ACR membership and helps to support and develop ACR policy. She is also an active member of the Commission for Women and Diversity.
- **Richard E. Heller III, MD, MBA**, serves as a member of the ACR's Commission on Economics and will present on the topic of surprise medical billing. He will discuss the recent federal law that was passed to address the problem.

About Radiology Partners

Radiology Partners is a leading radiology practice in the U.S., serving more than 3,250 hospitals and other healthcare facilities across the nation. As a physician-led and physician-owned practice, our mission is to transform radiology by innovating across clinical value, technology, service and economics, while elevating the role of radiology and radiologists in healthcare. Using a proven healthcare services model, Radiology Partners provides consistent, high quality care to patients, while delivering enhanced value to the hospitals, clinics, imaging centers and referring physicians we serve.
