

[RP One launches second year of Season of Giving](#)

As we enter a season of gratitude and generosity, Radiology Partners (RP) is pleased to announce the second year of our Season of Giving campaign to support RP One.

Now through December 31, RP will reinstate its dollar-for-dollar match on all RP One contributions, with a goal of raising \$30,000. [Click here to contribute to RP One.](#)

An example of our culture in action, RP One is RP's teammate assistance fund, which provides grants to colleagues experiencing significant financial hardship. Initially established in early 2020 to support teammates during the COVID-19 pandemic, RP One grants can be used for a variety of individual hardships, emergencies and disasters. Additionally, RP One received 501(c)(3) status in 2021, which allows contributions to be tax-deductible, further extending its charitable impact. To date, RP One has raised \$2 million and issued nearly 400 grants totaling nearly \$750,000.
