Connect with RP in 2023

Dr. Arthy Saravanan

In 2022, we enjoyed connecting with radiology trainees, practicing radiologists and other healthcare professionals through a number of networking opportunities, and we have been hard at work to plan for 2023.

We have several upcoming events set for the first quarter of the year, and we invite you to connect with Radiology Partners through some of the opportunities listed below. Check our events calendar for details and for more events that will be added throughout the year.

Coming to a city near you: RP Nights Out

At RP Night Out, we offer space for radiology fellows and residents to connect in person with our radiology leaders, network with others and hear more about the growth and leadership opportunities at RP practices. Attendees are

welcome to bring an additional guest, and food and drinks are served. See the list of locations below, and if you have questions or want to RSVP, reach out to events@radpartners.com.

More to come: Transform

Transform is a unique event for radiology fellows and third- and fourth-year residents who want to connect with radiology leaders and other trainees to learn more about our industry, radiology's place in healthcare and the mission of RP. This year's event is September 22-24, 2023, in Las Vegas. More details will be posted soon! You can also read about 2022's event on RP's blog.
