

RP One launches third year of Season of Giving

On this Giving Tuesday, Radiology Partners (RP) is pleased to announce the third year of our Season of Giving campaign to support RP One.

Now through December 31, RP has reinstated its dollar-for-dollar match on all RP One contributions, with a goal of raising \$30,000. [Click here to contribute to RP One.](#)

An example of our culture in action, RP One is RP's teammate assistance fund that provides grants to colleagues experiencing significant financial hardship due to individual hardships, emergencies and disasters.

RP One was initially established in 2020 to support teammates during the COVID-19 pandemic. In 2021, RP One received 501(c)(3) status, allowing contributions to be tax-deductible and further extending its charitable impact. To date, RP One has raised \$2.1 million and issued nearly 450 grants totaling more than \$900,000.

We believe we can make a significant difference in the lives of our colleagues across the country. In the spirit of the season, we wish you a joyful and peaceful holiday!
