

Get to Know RP in 2024

Dr. Arthy Saravanan

Throughout 2023, RP hosted a variety of networking opportunities that allowed us to connect with radiology trainees, practicing radiologists and other healthcare professionals, and we have planned a full slate of great events in locations around the United States (and even Canada!) for 2024.

We invite you to connect with Radiology Partners by attending one of the opportunities listed below. Check our [events calendar](#) for details and for more events that will be added throughout the year.

Join us for RP Nights Out

At RP Night Out, we offer space for radiology fellows and residents to connect in person with our radiology leaders, network with others and hear more about the growth and leadership opportunities at RP practices. Attendees are welcome to bring an additional guest, and food and drinks are served.
