

## Rad to Rad Learning: Abdominal Free Air

**RP's National Patient Safety Committee** presents our first Rad to Rad Learning case.

Dr. Krishna  
Nallamshetty

The National Patient Safety Committee is part of [RP's Clinical Value Team](#), which works to elevate patient care and enhance value through innovation, collaboration and education. To advance this goal, our radiologists and advanced practice providers are committed to sharing peer learning as valuable reminders and insights about what we encounter in our day-to-day practice.

Check back here and on [X](#), [LinkedIn](#) and [Instagram](#) to see these common cases and our findings.
