Radiology Partners Earns Great Place to Work-Certification™ for the Fifth Consecutive Year

(EL SEGUNDO, Calif.) Jan. 27, 2025 – Radiology Partners (RP), a leading radiology practice in the U.S. through its owned and affiliated practices, announced it is Great Place to Work-Certified™ for the fifth consecutive year. Through its rigorous, data-driven methodology, Great Place to Work Certification™ confirms more than 80% of RP teammates say the practice offers a flexible, welcoming environment where they can be themselves at work. The 2024 certification is a significant achievement, as the award is based entirely on what current radiologists and support teammates say about their experience working at RP.

Great Place To Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention and increased innovation.

“We are honored to receive the Great Place to Work Certification™ for the fifth year in a row. This achievement highlights our continuous and collective dedication to creating a welcoming and inclusive workplace for our teammates,” said Jâlie Cohen, chief human resources officer for RP. “At RP, we are deeply invested in the teammate experience and strive to offer a positive work environment that teammates want to be part of, which helps drive the exceptional service we deliver to our patients, referring physicians, clients and communities we serve.”

“Great Place to Work Certification is a highly coveted

achievement that requires consistent and intentional dedication to the overall employee experience," says Sarah Lewis-Kulin, vice president of Global Recognition at Great Place To Work. "By successfully earning this recognition, it is evident that Radiology Partners stands out as one of the top organizations to work for, providing a great workplace environment for its employees."

According to Great Place to Work research, job seekers are 4.5 times more likely to find a great boss at a Great Place to Work Certified™ workplace, and teammates at certified workplaces are 93% more likely to look forward to work.

About Radiology Partners

Radiology Partners, through its owned and affiliated practices, is a leading radiology practice in the U.S., serving more than 3,400 hospitals and other healthcare facilities with high quality radiology, technology and artificial intelligence solutions. As a physician-led and physician-owned practice, our mission is to transform radiology by innovating across clinical value, technology, service and economics, while elevating the role of radiology and radiologists in healthcare. Using a proven healthcare services model, Radiology Partners provides consistent, high-quality care to patients, while delivering enhanced value to the hospitals, clinics, imaging centers and referring physicians we serve.
