At the 2025 Practice Leadership Summit, we celebrated clinical excellence among Radiology Partners (RP) practices.

Dr. Krishna Nallamshetty, RP Chief Medical Officer, honored two RP practices, recognizing them with a Clinical Excellence award.

The Clinical Excellence Awards included the Best Practice Recommendation (BPR) Most Improved Practice and BPR Most Valuable Practice (MVP). First awarded in 2024, this recognition is based on data from RP's BPR program, which ensures our radiologists are following evidence-based guidelines and recommending the most appropriate follow-up for six clinical conditions we have picked as a practice to be high impact to our patients.

BPR Progress Award

RP Corpus Christi was awarded the BPR Most Improved Practice, as the practice with the largest increase in scores across the BPRs based on 2024 validated data. Congratulations to RP Corpus Christi!

Dr. Anthony Hein, President of RP Corpus Christi, and Melissa Ashmus, Practice Director, accepted the award.

BPR MVP Award

RP Bluegrass was awarded the BPR MVP, as the practice that records the highest average score across the BPRs based on 2024 validated data. Congratulations to RP Bluegrass for their valuable work!

Todd Bibens, VP of Operations, and Josh Kipnis, SVP of Operations and Integrations, accepted the award.

[RP established its first radiology quality program](#) in 2015, and today, RP's Clinical Value Team monitors six clinical findings across RP-affiliated practices: ITN, AAA, adnexal cysts, adrenal masses, incidental lung nodules and renal masses.

[Radiology Partners](#), through its affiliated practices, is a leading physician-led and physician-owned technology-enabled radiology practice in the U.S. Learn more about our mission, values and practice principles at [RadPartners.com](#). For the latest news from RP, follow along on our [blog](#) and on [X](#), [LinkedIn](#), [Instagram](#) and [YouTube](#). Interested in learning about career opportunities?
