

Rad to Rad Learning: CT Left Atrial Appendage Occluder Device Thrombosis & Leak

The Radiology Partners (RP) Cardiothoracic Imaging National Subspecialty Division (NSD) presents two of our newest Rad to Rad Learning cases.

Dr. Krishna
Nallamshetty

The Cardiothoracic Imaging NSD is part of [RP's Clinical Value Team](#), which works to elevate patient care and enhance value through innovation, collaboration and education. To advance this goal, our radiologists and advanced practice providers are committed to sharing peer learning as valuable reminders and insights about what we encounter in our day-to-day practice.
