right time," said Amanda Free, President of Anthem Blue Cross and Blue Shield of Georgia. "We're pleased to continue our partnership with Northside Radiology Associates, ensuring our members have access to high-quality imaging services while advancing our shared commitment to quality, affordability, and coordinated care."

Northside Radiology Associates provides a broad range of technology-enabled radiology services across Georgia, including diagnostic imaging, interventional radiology, emergency radiology coverage, stroke imaging, breast imaging, nuclear medicine, and other subspecialty services that support hospitals, outpatient facilities, and physician practices throughout the state.

The renewed agreement reflects a shared commitment to value and affordability by supporting timely access to specialized imaging services, enhancing care coordination, and helping patients receive care in the most appropriate setting.

"We're pleased to extend our longstanding relationship with Anthem through this multi-year agreement," said Dr. Nicholas Waddell, Associate Chief Medical Officer, Clinical Operations of Northside Radiology Associates. "Together, we're supporting hospitals, physicians, and patients across Georgia by providing reliable access to high-quality radiology services that help improve the care experience and health outcomes."

The agreement also provides long-term stability for Anthem members and reinforces both organizations' commitment to developing sustainable healthcare solutions that improve access, strengthen provider partnerships, and deliver value to the communities they serve.
